

CELEBRATION OF THE COMING OF AGE  
OF THE  
PARENTS' UNION SCHOOL, 1891-1912.

---

Children's Gathering at Winchester,  
May 6th, 7th, 8th, 9th, 1912.

---

Arrangements for this gathering are now in hand, and it is hoped that a very delightful and useful celebration will be held. All children working in the P.U.S. will be welcomed, as well as their parents and governesses, and it is very much hoped that former pupils will also make an effort to attend: they will be asked to exhibit drawings, handicrafts, etc., in an "Old Scholars" Show, which will form part of a general Exhibition to which children now working in the School will be asked to contribute. It is felt that this meeting will make children realize the fact of their forming part of a big organization, and that parents will welcome this opportunity for them to see other children's work, and will make every effort to bring them even if it involve some sacrifice of time and money. To know Winchester and its associations is a liberal education in itself, and arrangements are being made that the scholars will be well prepared beforehand. The response has already been very cheering to the organizers, and it is expected that a very large number will be present.

Every endeavour will be made that the gathering shall be as free as possible from any element of strain and over-excitement. A full programme will be issued shortly. Meanwhile

\*Mrs. Clement Parsons and Miss Silvia Parsons, 17, Blomfield Road, London, W., have very kindly consented to help in the management of this party. They will advise parents as to dresses, which must be of inexpensive material and simple design, representing characters connected with the history and legends of Winchester and its neighbourhood. Members are asked to put themselves in direct communication with Mrs. Clement Parsons.
